Bodegas Atalaya is a new project of the Gil family of Jumilla and Jorge Ordoñez in Denomination of Origin Almansa, situated east of the province of Albacete, between Valencia, Alicante and Murcia.

The winery has 26 Ha (65 acres) of vineyards located at 3 Km to the north of Almansa on mostly chalky soils and at an altitude of 800 m (2,400 ft) above sea level. The predominant grape varieties are Garnacha Tintorera, autochthonous to the zone, and Monastrell.

The wine was aged for 8 months in 100% French oak barrels.

This is the first release of this wine.
