### GRAPE EXPECTATIONS

*Wednesday, June 17, 2009*

#### 2008 Mourgues du Gres Rose (\$14.99)

From southern France's Costieres de Nimes appellation, this wine is a successful dry rose made entirely from the syrah grape. It has hints of red cherry and strawberry on a backbone of minerality in a nicely tart structure.

It is stocked at the Andersons Sawmill, Grapes of Mirth, Twisted Vine, Weiland's, Vino 100 Polaris and, in Yellow Springs, at the Winds Wine Cellar (also by the glass in the restaurant) and the Emporium.
